

**Stafford Leys Primary School
PE and Sport Mission Statement**

At Stafford Leys Primary School, we wish to provide all pupils with an exciting and engaging PE and sport provision. Our long-term aim is to increase the profile of sports and promote sporting experiences through a variety of activities, PE lessons and extra-curricular clubs. Our PE curriculum is broad and balanced and aims to challenge pupils to reach their full potential.

PE and Sports Premium Funding

Majority of schools will receive PE and Sports Premium Funding each year to improve the PE and sport provision they offer the children in their school. The amount of funding each school receives will vary dependent on the number of pupils in attendance (January school census). Stafford Leys is due to receive £22, 160 during the academic year 2018/19. The funding provided must be used to develop or add to the PE and sport activities that our school provides. PE and Sports Premium Funding should be spent on sustainable actions, benefiting future pupils of Stafford Leys.

Schools should see an improvement across the following 5 key indicators:

1. the engagement of all pupils in regular physical activity
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport.
