HEADTEACHER – MR A KITCHEN

15th January 2021

Dear Parents

We are 2 weeks into our provision in school and I wanted to just give out a couple of updates.

We are opening the school gates between 8:35 and 8:50am in line with our normal school opening hours. At the start of this lockdown we said 9am but this can cause us problems when we are balancing in school and at home provision. Please arrive on time, as coming through the office is less safe for families and our staff. Home time remains between 3 and 3:15pm.

Children can only arrive or leave outside of these times for medical appointments or in emergencies.

Masks for adults are compulsory on site unless you have a medical exemption. It is vital that while we are minimising the number of children in school that everyone does their part to reduce contacts and the risk of spreading the virus. Please remember to leave the site immediately and avoid meeting up with or chatting with other parents.

The number of children in school each day has been rising. This week we had 126 children on some days. We are very close to our maximum number of children and will have to consider limiting numbers or prioritising children based on Leicestershire's guidance on this. **To avoid us having to prioritise, please make sure you are only using the onsite provision on the days that you need to due to having no other childcare options.**

Please note that we are confident that with your support, we will not need to use the list below.

Leicestershire's agreed local prioritisation. (In no order)

- Families with two critical workers or single parent families who are critical workers.
- Critical local authority and public service workers, who cannot perform their tasks from home without their children attending school.
- Front line health and social care workers
- Officers and staff from the police and fire service
- School staff
- Early Years staff

Thank you for your continued support.

Yours sincerely

Andy Kitchen
