### 1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

### 2. Legislation and guidance

This policy is based on the pupil premium conditions of grant guidance (March 2020), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

In addition, this policy refers to the DfE's information on what academies should publish online, and complies with our funding agreement and articles of association.

### 3. Purpose of the grant

The pupil premium grant is additional funding allocated to schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

### 4. Use of the grant

The Pupil Premium funding will be clearly identifiable within the budget.

The Headteacher and Pupil Premium Lead, in consultation with the governors, staff and parents where appropriate, will decide how the Pupil Premium is spent for the benefit of entitled pupils. They will assess what additional provision is required for individual pupils in order to be accountable for their progress and achievement.

The Pupil Premium lead will report to the governing body and parents on how effective the intervention has been in achieving its aims.

Stafford Leys Primary School will publish online information on the school website about the Pupil Premium funding received by the school, how it has been spent and the impact that it has had. The information included will be in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish.

We will ensure that parents, governors and other appropriate stakeholders are made fully aware of the progress and attainment of pupils in receipt of the funding and will seek to further develop strategies and interventions which can improve this for this group of pupils. We will track the impact of the strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children and will monitor, evaluate and review the success of the impact of the funding, adapting strategies and approaches and making changes as required.

Our detailed pupil premium strategy is available as a separate document on the school website.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support
- Employing extra staff including teachers, teaching assistants and other support staff
- Providing catch-up sessions within the school day and before and after school where needed (for example, ahead of national assessments such as SATs)

- Offering enrichment and extra-curricular opportunities such as music tuition and extra-curricular and holiday clubs
- Funding educational trips and visits
- Funding school uniform

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils on role. Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance). This includes pupils first known to be eligible for free school meals in the most recent January census. It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

### 5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### 5.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

## 6. Roles and responsibilities

### 6.1 Pupil Premium Lead and senior leadership team

The Pupil Premium lead is responsible for:

- Keeping this policy up to date, and ensuring that it is implemented across the school
- Ensuring that all school staff are aware of their role in raising the attainment of disadvantaged pupils and supporting pupils with parents in the armed forces
- Planning pupil premium spending and keeping this under constant review, using an evidence-based approach and working with virtual school heads where appropriate
- Monitoring the attainment and progress of pupils eligible for the pupil premium to assess the impact of the school's use of the funding
- Reporting on the impact of pupil premium spending to the governing board on an ongoing basis
- Publishing information on the school's use of the pupil premium on the school website, as required by our funding agreement and in line with guidance from the DfE
- Providing relevant training for staff, as necessary, on supporting disadvantaged pupils and raising attainment

### 6.2 Governors

The governing board is responsible for:

- Holding the headteacher and Pupil Premium lead to account for the implementation of this policy
  - Ensuring the school is using pupil premium funding appropriately, in line with the rules set out in the conditions of grant
  - Monitoring the attainment and progress of pupils eligible for the pupil premium, in conjunction with the headteacher, to assess the impact and effectiveness of the school's use of the funding
  - Monitoring whether the school is ensuring value for money in its use of the pupil premium
  - Challenging the Pupil Premium Lead to use the pupil premium in the most effective way
  - Setting the school's ethos and values around supporting disadvantaged members of the school community
- Appointing a nominated governor with a specific responsibility to oversee Pupil Premium across the school. This is currently James Cross.

### **6.3 Other school staff**

All school staff are responsible for:

- Implementing this policy on a day-to-day basis
- Setting high expectations for all pupils, including those eligible for the pupil premium
- Identifying pupils whose attainment is not improving in response to interventions funded by the pupil premium, and highlighting these individuals to the senior leadership team
- Sharing insights into effective practice with other school staff

### **6.4 Virtual school heads**

Virtual school heads are responsible for managing pupil premium funding for children looked after by a local authority, and allocating it to schools. Their responsibilities include, but are not limited to:

- Identifying the eligible looked after children and informing the local authority
- Making sure methods for allocating and spending ensure that looked after children benefit without delay
- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- Demonstrating how pupil premium funding is raising the achievement of looked after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

## **7. Monitoring arrangements**

This policy will be reviewed every three years by the Pupil Premium lead and will then be endorsed by the Headteacher and Governors.
