1. Principles

- 1.1 The purpose of the policy is to ensure that places at Stafford Leys Primary School are allocated and offered in an open and fair way.
- 1.2 Stafford Leys Primary School admissions policy will:
 - I. Offer clarity regarding legal requirements and statutory guidance.
 - II. Seek to encourage partnership and avoid conflict at a local and an authority level.
 - III. Maintain parental rights and ease the process of admission for parents and children.
 - IV. Have one consistent first-time admissions date to mainstream education.
- 1.3 Children's entitlements are as follows:
 - priority to a place in the catchment area school (dependent on the parent applying at the appropriate time, or on compliance with infant class size regulations);
 - priority to a place in a preferred school if there is room;
 - priority to be considered according to the same priority criteria as other children where the preferred school is oversubscribed.

2. Legal Position & Other Requirements: Summary

- 2.1 Stafford Leys Primary School is its own admissions authority and will consult as required and publish their admissions policy and arrangements.
- 2.2 The Local Authority is required to coordinate admissions for all residents in its area. To this purpose it must have an approved scheme for coordination and Stafford Leys Primary School will participate in full with the scheme
- 2.3 Parents have a right to express a preference for a school place, including where the child has an Education, Health & Care Plan. Parents must ensure suitable full-time education for their children by attendance at school or otherwise; they are not obliged to do this before the child has reached compulsory school age.
- 2.4 Compulsory school age is from the term immediately following a child's 5th birthday, this means:
 - a child turning 5 in the Autumn term must start school no later than from the start of the Spring term;

- a child turning 5 in the Spring term must start school no later than from the start of the Summer term;
- a child turning 5 in the summer term must start school no later than the following Autumn term (Leicestershire paragraph 4.15 applies for summer born children).

2.5 Stafford Leys Primary School has an Admission Number (AN) for each of its year groups that is capped at 90. This means once Stafford Leys Primary School has filled a year group to 90 (in line with its admissions criteria herein) all other applications will be refused.

2.6 Parents whose application is refused have a right to appeal to an Independent Appeal Committee whose decision is binding, except for children with Education, Health & Care Plans whose parents can appeal to the Special Educational Needs Tribunal. Pupils admitted following appeal will have their admission confirmed by the Clerk to the Independent Appeal Panel (this is because the Admitting Authority has been directed, in effect, to admit the pupil in these circumstances).

2.7 There are no required staffing ratios for KS2 age children in education law. Headteacher and teacher associations may issue guidelines on staffing levels. For young four-year-olds, e.g. in 4+ units and nursery, the Local Authority requires a ratio of 1 : 15. Legislation and regulation on infant class sizes requires an upper limit of 30 children per qualified teacher for infant classes, with specified exceptions.

3. First Time Admissions to Stafford Leys Primary School

3.1 This section refers to first-time admissions (4+ entries).

3.2 Parents must apply to their home local authority for a school place. The best way to apply is by applying online through Leicestershire County Council's website. All requests received by 15th January (national closing date) will be considered first and in accordance with the approved priority criteria. All late applications receive the lowest priority.

3.3 The Local Authority that you live in will confirm places from the national offer date 16th April to pupils. No child should be admitted without an offer from the Local Authority you live in; and this is regardless of whether the child lives in the catchment area or otherwise.

3.4 For those pupils who do not live in Leicestershire, the School Admissions Service will inform the relevant Local Authority who will in turn inform the parents of the Admitting Authority's decision.

3.5 Places will be allocated up to the Admission Number (AN) of 90 and will not be exceeded regardless of living in the catchment or moving into catchment.

3.6 It is recognised that some parents are unaware of the need to apply for a school place at first-time admission stage. The Admissions Service and Stafford Leys Primary School in response to this

issue launches an annual marketing strategy to publicise and alert parents to the need to complete an application expressing up to three preferences for a place in advance of expected admission.

3.7 Date of admission for all infant and primary schools is from the September immediately following a child's fourth birthday i.e. all children who have turned 4 before the end 31st August.

3.8 Children should not be attending before these times but for exceptional pre-

admissions visits. If pre-admission visits take place before the School Admissions Service has confirmed places, parents of these children must be informed that this does not guarantee admission to the school. Pre-admissions visits should only take place in the term before the child is admitted to school and should not exceed more than two half days per week. Such sessions are not funded

3.9 Stafford Leys Primary School has a single start for first time admission at 4+. However parents must ensure full-time education for their child from compulsory school age, from 5+.

3.10 Infant Class Size Limits, Multiple Birth Children and Permitted Exceptions

3.10.1 There is a requirement to limit infant class sizes to 30 children for each qualified teacher. This applies to reception, Year 1 and Year 2 classes, i.e. children aged 4 to 7. The National Regulations on infant class sizes allow very few exceptions (see para 2.15 National School Admissions Codes December 2014).

3.10.2 The following exceptions are the only permitted exceptions to the class size limit:

- In the unusual event of there being one space available within the infant class size limit, children of multiple births are permitted exceptions to the class size limit in these circumstances.
- Children who are in the care of a Local Authority (including previously in care).
- children with an Education, Health & Care Plan (including those receiving part of their education by arrangement at another school or in an infant class part time);
- if a recognised error was made during the implementation of the school admission arrangements;
- those admitted by an independent appeal panel;
- children of service personnel (e.g. Army children).

3.10.3 Permitted class size exceptions will remain exceptions for the duration of Key Stage One. In addition, schools will no longer have to take qualifying measures in such circumstances.

3.11 Admission of children below compulsory school age and deferred entry

Upon notification of a school place being offered, a child is entitled to a full-time place in the September following their fourth birthday.

The date the child is admitted to the school can be deferred until later in the school year or the child can attend part-time, but not beyond the point at which they reach compulsory school age and not

beyond the beginning of the final term of the school year for which the original application was made. To defer a place at first time admission, parents are asked to inform the school where the child has been allocated school place.

By not attending the beginning of the final term of the school year for which the original application was made may result in the offer being withdrawn and you may be required to make a new application.

3.12 Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group for example, if the child is or has experienced problems such as ill health.

Parents of a summer born child, that is those children born from 1st April to 31st August may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group, for example, to reception rather than year 1.

To request a delayed entry parents are required to make an application for their child's admission to their normal age group at the usual time in accordance with this policy and at the same time to submit a request to the admission authority for admission out of the normal age group. Further information about the process will be provided to parents upon their request for admission outside of normal age group or by contacting the School Admissions Service.

Decisions will be made by the Admissions Authority on the basis of the circumstances of each case and in the best interests of the child concerned. This will take into account parents' views, information about the child's academic, social and emotional development, where relevant their medical history and any views of a medical professional, whether they have previously been educated outside of their normal age group and whether they may have fallen in to a lower age group if the child was not born prematurely. The views of the Headteacher must be taken into account. Decisions made by the Admissions Authority will be clearly set out.

When informing a parent of the decision on which year group the child should be admitted to, the reason(s) will be given.

Where the admitting authority agrees to the parent's request for their child to be admitted to a year out of their normal age group, it will be necessary for the parent(s) to apply again for a place at the appropriate time, and as a consequence the child will be admitted to a relevant age group (the age group to which pupils are normally admitted to the school). The Local Authority (and admission authority if it is not the local authority) will process the application as part of the main admissions round unless the parental request is made too late for this to be possible and on the basis of determined admission arrangements only including the priority criteria when this applies.

One admission authority cannot be required to honour a decision made by another. Upon transfer, it will be a matter for that admission authority. Decisions will be made by the Admission Authority regarding the parental request for admission out of the normal age group in time for parents to make an informed decision about whether their child will start school before compulsory school age. An application will not be given a lower priority on the basis that the child is being admitted out of their normal age group.

Parents' statutory right to appeal against or refusal of a place at a school for which they have applied does not apply if they are offered a place at the school but it is not their preferred age group.

4. In-Year (mid-term) Transfers (all year groups)

4.1 All mid-term transfer requests (in-catchment included) will be co-ordinated through the School Admissions Service for approval before admission takes place.

4.2 Before applying, parents are encouraged to arrange to visit the school after which the parent should complete the Local Authority's online Common Application Form.

4.3 The aim, wherever possible, is to always process mid-term applications within 10-15 working days (5 days if child is indicated as in care or previously in care). Delays may occur where further evidence or proof is required i.e. proof of house purchase, tenancy agreement, fair access information for complex or out of authority applications etc. or for the purposes of ranking the over-subscription waiting list.

4.4 Where the mid-term application is made through the Local Authority the decision letter will either offer the place or refuse the place because the year group is full. A refusal letter will also explain to the parent their right to appeal, and how they should do this.

4.5 The admission number for each year group is capped at 90 pupils. This number is capped and will not be exceeded to accommodate the catchment area children applying as in-year (mid-term) transfers.

5. Parental Preferences & Criteria used for Prioritising Admissions to Schools

5.1 Application forms for school places allow parents to express up to three preferences for school places. Parents should rank their preferences, so that if more than one preference can be agreed the one which the parent wants most is offered. However, the Local Authority considers all preferences to have equal value, e.g. one parent's first preference and another parent's second or third preference are to be considered equally against the admissions criteria.

5.2 Late applications receive the lowest priority, i.e. they are only considered after all other applications which were received on time, unless there is a significant reason for lateness (see separate section on late requests).

6. Priority Criteria for Entry Autumn 2019 Admissions and Mid-term Applications during 2019/2020 Academic Year

6.1 All children whose Education, Health & Care Plan (EHCP) names the school must be admitted regardless of the criteria below.

If there are too many requests, priority will be given to children, whose parents applied on time, in the following order (see note i below):

1st	Children who are in public care and those children who were previously looked after children. (See note ii.)
2nd	Pupils who live in the catchment area. (See note iii.)
3rd	Pupils who will have an older brother or sister attending Stafford Leys Primary school at the same time who live in the same house. This will not apply to mid term

	admissions in year groups where the admission number has been reached. (See notes iv and v.)
4th	Pupils who have a serious medical condition or exceptional social or domestic needs that make it essential they attend the school requested. (Professional documentation confirming the situation must be submitted with the application.) (See note v)
5th	Pupils living nearest to the school measured in a straight line distance (home to school front gate). (See note vi.)

Notes:

i. Stafford Leys Primary School's admission number is limited to 90 only. Where more than 90 applications for Stafford Leys are received for any one year group, combinations of the above criteria will be used in priority order. Where the computerised system throws up an equality of distance for more than one child (who do not have the same home address) the final tie breaker will be drawing lots.

ii. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order Section 19 or special guardianship order).

iii. The child's place of residence is taken to be the parental home. Living in the catchment area does not guarantee you a place at your catchment school.

iv. The term "brother or sister" includes half brother or sister or legally adopted child being regarded as the brother or sister.

v. If criterion 4 is used, professional supporting documentation from the Lead Professional must be supplied and must be submitted with the application. The following list are the areas that are considered exceptional:

- Crown Servants
- Children subject to Child Protection Plans
- Hard to Place children – who fall under the Fair Access Protocol
- Parents suffering domestic violence

vi. For criterion 5 above, measurement of distance is in a straight line from the centre point of the property to the school's main designated front gate, using a computerised mapping system. Where there is equal distance then lots will be drawn, supervised by an independent officer.

7 Out-of-Catchment Requests and Admissions

7.1 Parents are encouraged to visit both Stafford Leys and the catchment school, in order to make informed judgements.

7.2 If a parent approaches Stafford Leys Primary school for an out-of-catchment place, the Headteacher (and other staff) will:

- suggest that the parents visit the catchment school;
- inform them that if they still wish to apply to Stafford Leys Primary school, they must request this in writing to Leicestershire's School Admissions Service.

School Admissions Service on receiving a request outside the normal transfer cycle:

- contacts the school to confirm numbers in relevant year groups;
- may suggest to parents that they visit the preferred school;
- allocates a place if there is space available within AN for the relevant year group or will refuse the place and inform parents their right of appeal.

8. Exceeding the Admission Number (AN)

8.1 At the time of first-time admission, as well as mid-year transfers if there are more requests for in-catchment children than the admission number (AN), the AN will NOT be exceeded to accommodate the catchment area children.

8.2 The AN will NOT be exceeded in any one year group. If there are more requests than places available within the AN, places will be allocated up to the AN according to the priority criteria, with any outstanding requests normally refused.

8.3 Parents whose requests are refused have a right to appeal to an Independent Appeal Committee whose decisions can override Stafford Leys Primary School policy. (NB: In the case of parents whose children have an Education, Health & Care Plan, the appeal is to the Special Educational Needs Tribunal.)

8.4 It may be that in exceptional circumstances Stafford Leys Primary School requests admitting out-of-catchment pupils above the AN or the Local Authority asks a school to exceed its AN. These situations should be viewed as exceptional and not as precedents for subsequent years or for other schools.

Exceptional circumstances might be:

(a) children in public care; (b) "Hard to Place" children whose cases fall within the Fair Access protocol.

The school will always give serious consideration to any exceptional situations. (For a full set of 'exceptions' please see para 2.15 of the National School Admissions Codes)

8.5 If an exceptional request to exceed AN is made, either to the Local Authority or to the school, any decision to approve an exceptional request must be made in conjunction with interested parties.

(a) Parents' requests must still be referred to the School Admissions Service.

(b) A request from a school to exceed the AN must be made to the School Admissions Service; a request from the School Admissions Service to a school to exceed the AN must be made to the Headteacher.

(c) The Admitting Authority makes the final decision, taking account of the views of interested parties and the Local Authority's position.

8.6 At transfer phase, schools may apply to exceed the Admission Number on a 'one off occasion', by 26 pupils through application to LA, i.e. at First Time Admissions and at all other transfer stages only. Applications must be received by schools by specified dates as outlined in the guidance notes (available from School Admissions Service). Part of the assessment process will be for the LA to be satisfied that neighbouring schools will not negatively be impacted. The LA decision outcomes may be:

- to accept the application;
- to refuse the application (i.e. the impact to a neighbouring school is too great);
- to partially accept the increase (i.e. to agree a smaller number).

There will be no appeal process to challenge the LA's decision by a school or the governing body. Schools will be informed of the LA decision well in advance of the national offer date(s) to allow for planning and organising. If a school exceeds its AN by 26 children in any three year period the LA must then determine a higher AN at the next available opportunity.

9 Withdrawing an Offer Or a Place

9.1 Leicestershire School Admissions, in accordance with its coordinating scheme on behalf of Stafford Leys Primary School, will withdraw the offer of a place if: ☐

- It had been offered in error.
- A parent had not taken up the place and not responded within a reasonable period of time indicating they want the place.
- It is established that the offer was obtained through fraudulent or an intentionally misleading application.

9.2 Stafford Leys Primary School will not withdraw a place once a child has started at Stafford Leys, except where it comes to light that a place was fraudulently obtained.

10. Co-ordinated Schemes

10.1 In accordance with the School Admissions Codes, Stafford Leys Primary School will participate in two statutory co-ordinated processes for the purpose of:

- starting school for the first time (statutory);
- transferring to secondary school (statutory).

Leicestershire County Council will, however, in the best interest of the parent continue to co- ordinate:

~ mid-term (in-year) transfers.

10.2 For Leicestershire residents the School Admissions Service will act as the parent's agent when applying for a school place regardless of whether the school is in Leicestershire, in another Local Authority or is its own admitting authority i.e. Voluntary Aided, Foundation, Studio, Free, Academy, or Trust schools. If applying from outside the authority you are encouraged to apply via the authority in which you live. If your move to Leicestershire is imminent, or the home authority do not operate a co-ordinated mid-term transfer process, then you should apply through Leicestershire's online system.

For a detailed breakdown of each process, please refer to the relevant Coordinated Scheme.

11. Miscellaneous

Children Who Are in Care or Were Previously in Care and Now Adopted

11.1 Children in the care of a Local Authority and those children who were previously looked after children, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order) are considered under high priority in Leicestershire.

11.2 In such circumstance confirmation must be sought from the last local authority that placed the child in care.

11.3 To be considered as 'in care or previously in care', Leicestershire does not stipulate a minimum length of time the child is or has been in care.

Catchment Area Definition and How to Find Out the Catchment Area School for Your Home Address

11.4 Leicestershire divides the county into school catchment areas. The child's full HOME ADDRESS determines the school where you would be given PRIORITY admission, for all community and voluntary controlled schools.

If you are unclear in which catchment area your home address falls please contact Leicestershire's Customer Service Centre in the first instance – (0116) 3056684, who will be able to inform you in which school catchment your address falls. In addition you will also find in the primary and secondary 'Your Guide to Education' booklets district maps that outline in general the schools located within the district you live.

Parental Proof of Residence

11.5 Stafford Leys will seek documentary evidence of residence from parents where the matter is unclear.

11.6 The School Admissions Service will need to seek evidence of residence from parents where the matter is unclear.

11.7 All schools are requested to be vigilant regarding addresses given by parents before transfer to the next phase of education, particularly if there is a late or unexpected change of address close to transfer. Any queries should be referred to the School Admissions Service.

Over-subscription Lists

11.8 Stafford Leys Primary School will maintain an over-subscription list from completion of the decision making process for the first time admissions, and in relation to mid-term transfers, throughout the relevant academic year. (This waiting list is ranked in the same order as the published oversubscription criteria and not by date of application.)

Tiebreak

11.9 In instances where more than one child has an equal weighting in accordance with our priority criteria, the tiebreaker used is measurement of distance in a straight line from the centre point of the property to the school's main designated front gate, with whoever is closer being offered the school place. Where there is equal distance then lots will be drawn supervised by an independent officer.

Children Who Move Out of the Catchment Area

11.10 A child who has started attending and whose place of residence changes to an out of catchment address is entitled to retain his/her place in the school and should not be asked to leave or have their name deleted from the register.

11.11 If there are queries about transport in these situations, refer to the LA Customer Service Centre (E&T).

Excluded or Potentially Disruptive Pupils

11.13 Stafford Leys Primary School does not allow the refusal of admission because the pupil may disrupt the education of other pupils, but will consider exceptions according to the School Admissions Code. The School Admissions Code allows the refusal of places for children with “challenging behaviour” only for those schools able to demonstrate particularly high proportion of children with challenging behaviour or previously excluded children. In such circumstances the governors must refer the case to the Fair Access Protocol.

11.14 Stafford Leys Primary School is not able to refuse admission where such a pupil lives in the catchment area and the parent has applied properly, and where there is a place available within the AN.

11.15 There is no obligation to comply with a parental preference for a child who has been permanently excluded from two or more schools, for a period of two years following the latest exclusion. Parents of such children lose their right of appeal regarding admission. Stafford Leys may refer to the Secretary of State regarding directions to admit children.

It is possible that a child may receive a second permanent exclusion just before he or she is due to transfer school. In these circumstances the Local Authority will expect the receiving school to admit the child, if the child’s second permanent exclusion is issued after a transfer allocation has been notified to the parent, but before the actual transfer to the new school.

11.16 A permanently excluded pupil must not be removed from the school register until any exclusion appeal is complete or until the time limit for notification of appeal has passed.

Children with Special Educational Needs

11.17 Stafford Leys Primary School does not allow the refusal of admission because it is believed that the school cannot cater for the child's special educational needs.

11.18 Pupils with special educational needs but no Education, Health & Care Plan (EHCP) are dealt with through normal admissions policy, and schools cannot refuse to admit a pupil because he/she does not have an EHCP or is being assessed for one.

11.19 All governing bodies are required by section 324 of the Education Act 1996 to admit to a school a child with an Education, Health & Care Plan that names the school. This is not an oversubscription criterion and schools must admit children with EHCPs whether they have places or not.

Children from Overseas

11.20 The wording of the School Admissions Code applies. (Stafford Leys Primary School must treat applications for children coming from overseas in accordance with European Union law or Home

Office Rules for non-European Economic Area nationals. Non statutory guidance on this is available on the website of the Department of Education)

Late Requests, Appeals (including class size appeals), Further Appeals and Errors

11.21 Late requests for school places, e.g. those received after a closing date, will be considered on their merits, but generally will have the lowest priority of all requests, even when the parents are requesting the catchment area school. This means that it is probable that a late request will not be allowed if the school is oversubscribed and there is no clear and significant reason (supported with documentary evidence) that it was beyond the parent's control for not applying at the appropriate time e.g. parent ill for some time or family returning from abroad.

11.22 To assist parents every effort will be made by the School Admissions Service to explain the basis under which an infant class size appeal is to be considered. The legislation and regulations are extremely stringent and only allow panels hearing an infant class size appeal to uphold the appeal where the following applies:

- the child would have been offered a place if the school's admissions arrangements had been properly implemented i.e. because of an error or maladministration; or
- if it is established by the panel that the school's admissions arrangements did not take into account, when considering the application:
 - i. the School Admissions Code
 - ii. Part 3 of the SSFA 1998;
- the decision was not one that a reasonable admissions authority would have made in the circumstances of the case.

11.23 Where an appeal is being heard for a year group that is full and is not a class size appeal but if successful would cause 'future class size prejudice or breach', because future year groups are organised into classes of 30 pupils to one teacher. The appeal will NOT run citing class size legislation as a key principal argument for refusing the application. Leicestershire will instead take the view that the panel is requested to take future prejudice into account when decision-making.

11.24 Appellants do not have the right to a second appeal in respect of the same school for the same academic year unless, it can be demonstrated that there has been a significant exceptional or material change in circumstances of the parent, child or school. Examples being:

- change of address;
- it has been agreed that there were procedural faults in the original appeal;
- new significant evidence has come to light;
- medical reasons (apart from medical attention for distress or anxiety as a result of unsuccessful appeals);
- significant change to the school has come to light.

(This is not a finite list; each case will be considered on its merits by the lead admissions or appeals officer)

Stafford Leys commissions the LA to undertake all appeals on their behalf.

11.25 Where the admitting authority has made an error in any aspect of processing school application, and it has been established that had the error not occurred it would have resulted in the applicant legitimately securing a school place. The admitting authority must honour the applicant a school place, even if the school is full.

11.26 Where it has been determined the error was made by the applicant the admitting authority will not be held responsible, i.e. an incorrect date of birth, failure to mention sibling(s), failure to provide supporting evidence etc.

Arrivals in Catchment and Late Applications

11.27 Admission requests for children that move into the school's catchment area will be agreed (subject to proof of residence) only when a place is available within the AN of the relevant year group. In exceptional circumstances, *Admissions Authority may decide to exceed its AN* to accommodate a child arriving in catchment. However, this situation should be viewed as exceptional and will not be a precedent for subsequent cases. Exceptional circumstances might be:

- (a) children with an Education Health Care Plan
- (b) "Hard to Place" children whose cases fall within the Fair Access protocol.

Acceptance or Refusal of Offers; Withdrawal of Places or of Offers of Places

11.28 In the normal admissions round (i.e. when offers are made for first-time admissions national offer date 16th April) it will be assumed by the School Admissions Service that the offer is accepted unless it is refused. Once the academic year begins the school place should be taken up within 20 school days. For mid-term applications (outside the normal round) the offer must be taken up within 20 school days from the offer date. If not the School Admissions Service will afford the parent a reasonable time (the regulations state 2 weeks) plus additional 7 days for a reminder, to accept the offered place. If no acceptance is received the offered place may be withdrawn. In addition the Admissions Authority reserves the right to withdraw a school place, or an offer of a place where the place has been obtained by false or misleading information, for example an incorrect address or date of birth. Stafford Leys will be vigilant about such matters and will ask for a sight of the child's short birth certificate before admission as well as proof of residency.

11.29 Offers of places are also withdrawn if they were based on an address and the parent's address changes before the child is admitted. For example, if a child was offered a catchment area place and the family moves out-of-catchment before admission takes place, the offer of the place may be withdrawn.

Home-School Agreements

11.30 The School Standards & Framework Act does not allow signing a home-school agreement to be a condition for admission.

Deleting a Child's Name from the Register

11.31 The Education Pupil Registration Regulations describe the circumstances in which a child's name can be deleted from a school's register. In normal circumstances it is not reasonable to delete

a child's name from the school's register until it is confirmed that he/she is receiving education elsewhere. In unclear cases, please seek advice from School Admissions and Pupil Services.

Changes of Address

11.32 Principles:

- (a) Residence in the catchment area is necessary to be given highest priority for a school place when applying, subject to availability.
- (b) Where a school is over-subscribed or a family move into catchment after a published closing date for submission of applications, the School Admissions Service should seek to clarify parents' claims of change of address.
- (c) Generally, only one address is recognised for each family, and only one family for each address.
- (d) Places, or offers of places, may be withdrawn if they were based on incorrect information from the parents or their representatives.
- (e) Each case is considered on its facts.

11.33 When a family moves, the Local Authority will aim to offer a place in their new catchment area school on request for schools adhering to this policy (dependent on: proof of residence see verification of address below).

11.34 What is generally not accepted when allocating places in over-subscribed schools:

- (a) purchase of a second property by a family, while the first property is retained;
- (b) rented accommodation, while a previous property is retained;
- (c) offers or exchange of contracts on intended purchases or sales of properties;
- (d) informal accommodation arrangements with friends or relatives.

11.35 Verification of address:

- (a) Parents' written confirmation and declarations will be sought regarding important information. Parents will be asked to verify in writing that they are residing at the address claimed and intend to remain in the catchment area. Places will be withdrawn if such declarations are subsequently found to be incorrect or not honoured and the school is oversubscribed.
- (b) Documentary evidence such as Council Tax payment or, Child Benefit letter information will be sought.
- (c) Claims of new residence in a school's catchment area will be judged on circumstances and the documents provided; completion of both sale and purchase, where relevant, are normally necessary before a place is allocated.

(d) Officers may be authorised to visit addresses to clarify whether families are living at the addresses claimed. Such visits will be undertaken in a reasonable fashion, by officers carrying appropriate identification.

Significant Change of Circumstance

11.36 The School Admissions Service considers fresh information in support of a parental preference for a school place, even if it is received at a late stage in the admissions process. In normal circumstance there will be no difficulty in meeting the parent's preference if all the school places have not been allocated.

11.37 Where the school's places have all been allocated, the School Admissions Service will be unable to offer a place, but may give higher priority to the parent's request if a place subsequently becomes available, according to the family's circumstances, in accordance with the priority criteria.

11.38 Verification, e.g. from professional persons or bodies, may be sought from the parent to confirm a change of circumstances. In such circumstance it remains the parent's duty to gather and provide the evidence.

"Relevant Areas" for Consultation Purposes

11.39 Admission authorities consult within "relevant areas" on admissions arrangements. In Leicestershire, "relevant areas" are as follows:

(a) for community and voluntary controlled schools in Leicestershire the geographical boundary of Leicestershire is the "relevant area";

(b) for each voluntary aided and foundation school in Leicestershire the "relevant area" is 8 kilometres (secondary) or 3.2 kilometres (primary).

How and When to Apply Changes to a School's Admission Number (AN)

11.40 If a school's AN is increased, this may be applied immediately to every year group in the school, unless this would have a detrimental effect on teaching and learning, e.g. limits to the number and size of rooms available or large numbers in classes.

If a school's AN is decreased, this should be applied only to the entry year group, unless numbers in other year groups need to be restricted, for instance to comply with the infant class size limit or if there is overcrowding in other year groups.

Children with Split Residence

11.41 Where a child lives for part of the week with one parent and for part of the week with the other parent, the address recognised by the local authority is the one where the child lives for the majority of the school week. *Where it is claimed that the weekly residence arrangements varies, both addresses may be valid but only one address can be used for the purposes of applying for a school place. Parents must decide which address to use.* These definitions depend on the written declaration of both parents, and if the claimed residence arrangement is found to be false, the child's place at the allocated school may be withdrawn even if the child has started attending.

Children of UK Services Personnel and other Crown Servants

11.43 Such children must be allocated a place in advance, dependent on an official government letter declaring a relocation date and intended address, if the applicant would meet the criteria on relocation.

A Unit postal address must be accepted, or if appropriate a “quartering area” address in the absence of a new home postal address.
