26<sup>th</sup> February 2021

Dear Parents

Following the announcement on Monday, we are pleased to say that Stafford Leys will be open to all pupils from 8<sup>th</sup> March. All of the staff are excited about the return and cannot wait to make our children feel welcomed back into school.

Next week, we will write with further information on how reopening will work. We will also make a video highlighting the key messages. Our aim is to have this ready for Wednesday, as we expect all of the government guidance to have been finalised by then.

We have several staff who are Clinically Extremely Vulnerable and they will be working remotely until Easter. This will mean that we will be making a few changes to staffing around school to accommodate this. If your child's class is impacted by this, we will write separately next week to let you know.

Thank you for your continued support

Andy Kitchen
