Ofsted

We are looking forward to sharing our new Ofsted report with you. This should be ready before the summer holidays. As it has to be moderated and checked before publication, we are not allowed to talk about the outcome. I can say that we are very pleased with how the visit went. Thankyou for all of your support during these 2 days and throughout what has been a very challenging year!

As a small reward, the children and staff can have a non-uniform day tomorrow.

School Gates

All of the school gates will now be open for parents to use in both directions. Please continue to be considerate about social distancing. Masks are now not compulsory on site but you are welcome to wear one if you wish.

I have been extremely grateful for your support in following the rules that were in place following reopening. Until we didn't have to wear masks, I had forgotten how much I had missed seeing smiles in the morning.

We are going to continue with our extended start and finish times until the summer.

Mrs Broad

We had a wonderful morning celebrating Mrs Broad. The children and staff made a socially distanced heart on our field. The money raised on the day will go towards buying a new bench for the school field. Her grandchildren are looking forward to sitting on it later in the term. Thankyou to Mr Peachy for some amazing drone camera work!

There are more photos and videos of this event on twitter.

Term date consultation

Leicestershire are currently consulting on term dates for the next 5 years. If you follow this link, you can give your views.
